

GREATER TOLUCA LAKE NEIGHBORHOOD COUNCIL

3330 Cahuenga Blvd. Ste. 505
Los Angeles, CA 90068

Dear Toluca Lake Neighbors,

We wanted to give you an update on the Greater Toluca Lake Neighborhood Council's response to COVID-19.

The council is closely following the latest developments regarding the Coronavirus (COVID-19), and we have received numerous inquiries regarding how the current public health concerns impact our 9th Annual GTLNC Earth Day/ Taste of Toluca Celebration. The Governor [announced a new California Department of Public Health policy](#) to cancel or postpone all gatherings of 250 people or more, along with other important guidance on protecting public health and stemming the spread of COVID-19.

As the health and safety of our community is our prime concern, the Council is following Governor Newsom's guidance and postponing our Earth Day event. A GTLNC representative will contact our local community organizations and registered vendors to provide further information regarding the postponement.

The Greater Toluca Lake Neighborhood Council Board has also been advised by the Department of Neighborhood Empowerment to cancel all board and committee meetings until the end of the month, March 31, 2020. We continue to work alongside the County Department of Public Health and other local, state, and federal partners to further strengthen our response to COVID-19. Please visit us on Facebook or at www.gtlnc.org for any and all updated information regarding GTLNC committee meetings, board meetings, and GTLNC events.

The well-being of our community is our prime concern. Please stay safe and follow the latest advisories from the [Los Angeles County Public Health Department](#) & [CDC](#).

Best regards,

The Greater Toluca Lake Neighborhood Council
